Electric Parking Brake with Auto Hold

Lets you ease off the brakes when at a standstill. Automatically deactivates once you start driving.

For Black Series and GLS

Hands-free Power Tailgate

Conveniently open the vehicle's cargo by triggering the sensors at the corners of the rear bumper with a kicking motion.

For Black Series

Get convenient access to your vehicle with the use of your smartphone.

For Black Series

MITSUBISHI MOTORS SAFETY SENSING (MMSS)

Powerful and intuitive features for peace of mind on your journeys.

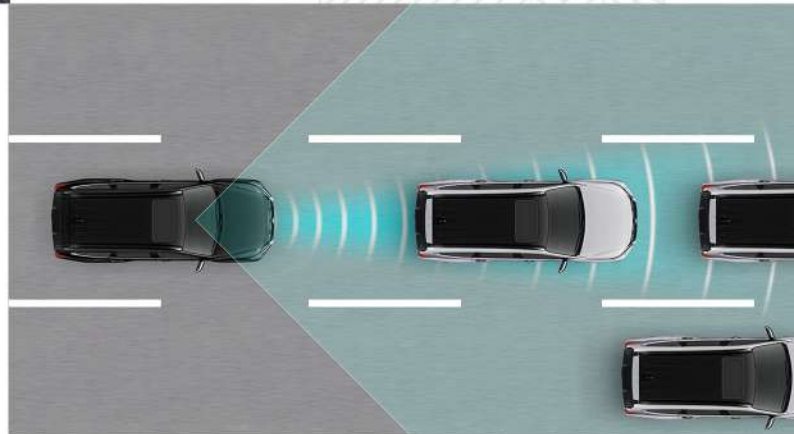

Ultrasonic Mis-acceleration Mitigation System (UMS)

Reduces the chance and severity of hitting obstacles in pedal misapplication.

For Black Series

Forward Collision Mitigation (FCM)
Detects and mitigates potential collision by alerting the driver and applying brake force as needed.

For Black Series

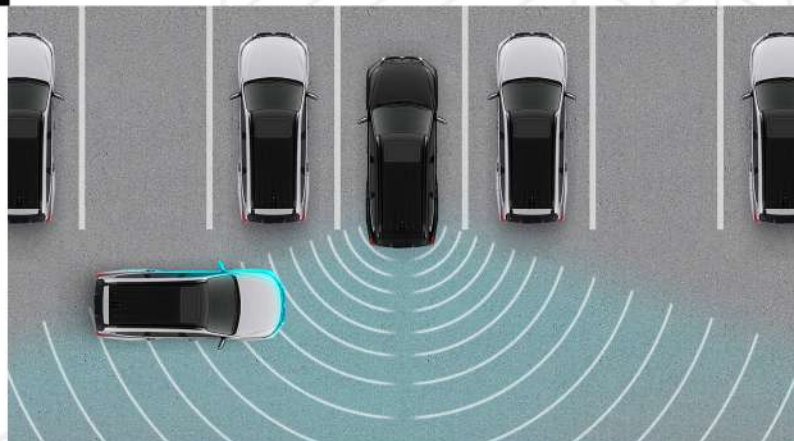

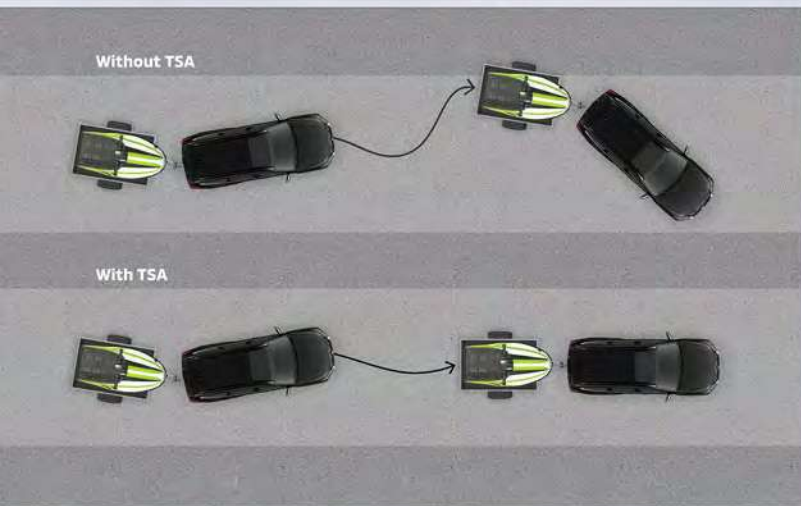

Blind Spot Warning (BSW) with Lane Change Assist (LCA)
Alerts the driver of road users approaching the vehicle's blind spot.

For Black Series 4WD

Rear Cross Traffic Alert (RCTA)
Alerts the driver of approaching vehicles when backing up on to the road.

For Black Series 4WD

Active Stability and Traction Control (ASTC)

Adjusts engine output and brake force to follow your steering intention.

For Black Series and GLS

Hill Start Assist (HSA)

Temporarily holds the brake force for the driver until accelerator is pressed to avoid rolling backwards.

For Black Series and GLS

Airbags

Provides safety to the driver and passengers in every journey.
