

# ***STRADA***

**GL / Cab & Chassis**

**MITSUBISHI  
MOTORS**

Drive your Ambition

## Robust Performance

(4N15) 2.4L 4 In-Line 16-Valve DOHC  
with Variable Geometry Turbo [VGT] (GL)

## Dynamic Style

# STRADA GL

The Mitsubishi Strada GL takes the power and reliability of a traditional pickup and adds to it the comfort of a sedan for a newly unveiled sense of adventure. Bring more of your world wherever you go thanks to its spacious cabin and cargo bed.

## 2H (2WD High Range)

When you're just cruising down the highway or just going across town, 2H mode shifts you into rear-wheel drive for fuel-efficient performance.

## 4H (4WD High Range)

When the weather turns bad and the roads get rough, switch to 4H mode for added traction. The front/rear torque split adjusts to 40:60 to give you greater control for high-speed driving.

## 4LLc (4WD Low Range with Locked Center Differential)

Switch to 4LLc when you need all the power to slog through the roughest terrain... even the stickiest mud.

**EASY  
SELECT 4WD**

**Electronic Dial Selector (GL 4WD)**

Aesthetically pleasing and ergonomic black and gray dashboard

Spacious Legroom

2 DIN Single In-dash CD/MP3/WMA/Tuner/iPod-ready/Audio Jack

High Contrast Multi-information Instrument Meter Display

The J-line design is a clever engineering design made to shorten the wheelbase and maximize interior space.

High Mount Stop Lamp

Fog Lamps (GL 4WD)

Deeper & Larger Cargo Bed

1,470mm  
1,520mm  
475mm

5.9m Turning Radius  
Tightest in its class

# STRADA Cab & Chassis

For the many needs and goals of start-up and medium-scale entrepreneurs, you can always count on the Strada Cab & Chassis to get the job done. Built strong for any kind of cargo, for any kind of business.

2 DIN Single In-dash CD/MP3/  
WMA/ Tuner/iPod-ready/Audio Jack

Tight Minimum  
Turning Radius

Powerful yet economical 4D56 2.5L 4 In-line  
16-Valve with Turbocharged Intercooler System

The 2.5-liter Direct Injection Common Rail diesel engine is designed to cope with the demands of high speed motoring. Aside from being able to produce ample power and torque, this breakthrough engine assures better fuel efficiency and reduced emissions.

## Performance and Functionality

[Optional rear bodies are for visual appreciation only.]

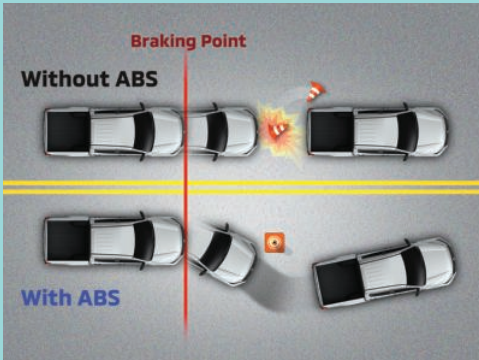

# Standard Strada Safety Features:

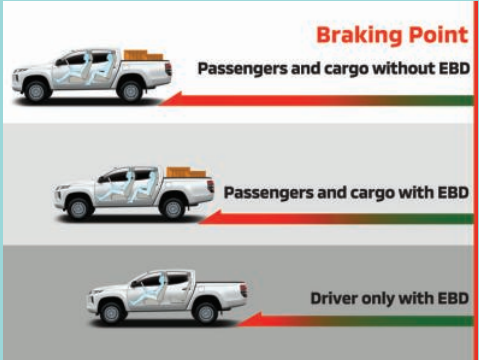

RISE Body

Dual SRS Airbags

Anti-Lock Braking System [ABS] - Equipped with Electronic Brakeforce Distribution [EBD] (GL)

ISO Fix and Tether Anchor (GL)

Load Sensing Proportioning Valve [LSPV] (Cab & Chassis)
