

THE NEW XPANDER

REV UP YOUR IMAGINATION

Rethink New Possibilities with the New Mitsubishi Xpander.

Discover a stylish, sculpted exterior which forms a protective zone for both the driver and the occupants. Then take a peek inside, which is not only calm and inviting but also provides a comfortable room for seven and your luggage.

REIMAGINE STYLE

The new Mitsubishi Xpander exudes a bolder and more confident look with its new horizontal front bumper design, LED daytime running lights, T-shaped LED headlights, 17" two-tone alloy wheels and upgraded rear design.

REIMAGINE COMFORT AND CONVENIENCE

The best-selling 7-seater MPV provides an even more refined and convenient ride with its interior upgrades. Equipped with a new steering wheel design with audio-mounted and cruise control, a 7" touchscreen multimedia display, new horizontal dashboard design with soft touch material and EPB plus Autohold features that is sure to make every drive an easy and comfortable experience.
