Drive your Ambition

Dear Valued Customer,

Staying in has been the norm for more than two years. But in recent months, freedom has become increasingly visible.

Led by our mantra LIFE MADE BETTER, we've compiled a couple of ideas to help you rediscover the freedom of OPEN SEASON - beginning with a trip down south.

LAGUNA

The Fun Begins Down South

Drive your fuel-efficient Mitsubishi Xpander to a quick getaway in Laguna. Take on the rapids and cruise on a boat by Pagsanjan Falls. Take a warm dip at numerous hot springs around the province.

And for your sweet tooth, enjoy the day with Pagsanjan's mouth-watering Espasol.

BATANGAS

An Exciting Getaway

Go the distance and visit Batangas for a cup of Kapeng Barako. If you're looking for a warm meal, you can't go wrong with its famous Batangas Lomi. When it's time to relax, the beach at Laiya's White Cove resort will keep you company. You can even hop islands and visit Calatagan, Masasa Beach, and Sepoc Island. With your Mitsubishi Xpander's versatile cargo, you can fit your travel essentials for the trip.

Take Life To New Heights

The Quezon Province is a captivating place to visit thanks to its known landmark, Mt. Banahaw. Book a hiking tour and mesmerize at the view. If you're up for a splash, experience paradise at Cagbaleta Island. Or grab a bilao of the province's famous Pancit Habhab.

QUEZON

There's so much the south has in store. Our guarantee - it's better visited than read.

Sincerely yours,
Mitsubishi Motors Philippines Corporation
