

*Life Made Better*

Dear Valued Customer,

Good day! Welcome to the new Mitsubishi Motors Philippines Corporation e-magazine. This channel is our way of strengthening our connection with you by providing you with the latest news, offers and updates.

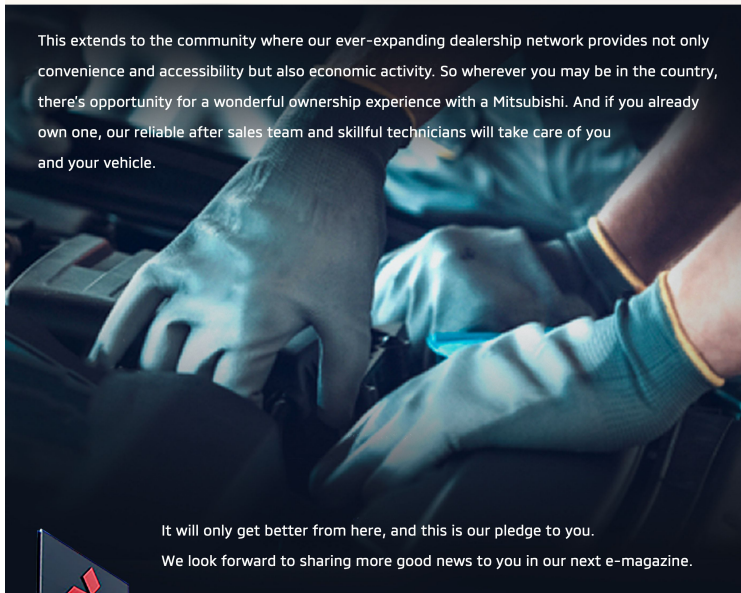

With our revitalized commitment to enrich the Filipino car life experience, we would like to introduce our new local slogan: Life Made Better. This starts with the creation of a positive and progressive culture within our organization that extends to you, our customers. Our main goal is to make lives better with our products and services while significantly contributing to the recovery and growth of the Philippine economy.

Indeed, better things will keep on coming as we continue the local production of the Mirage, Mirage G4 and L300 that generates thousands of jobs as well as big business opportunities for local suppliers.

This extends to the community where our ever-expanding dealership network provides not only convenience and accessibility but also economic activity. So wherever you may be in the country, there's opportunity for a wonderful ownership experience with a Mitsubishi. And if you already own one, our reliable after sales team and skillful technicians will take care of you and your vehicle.

It will only get better from here, and this is our pledge to you.  
We look forward to sharing more good news to you in our next e-magazine.

Sincerely yours,  
Mitsubishi Motors Philippines Corporation
